# THE MOST TRUSTED INDIAN NATURAL STONE MANUFACTURER & EXPORTER

## ABOUT US

### ABOUT STONENATURA

#### A Leading Global Stone Export Agency.

STONE NATURA is a locally owned and operated company that specialises in the sourcing, manufacturing, distribution and installation of NATURAL STONE tiles and claddings. We are excited to present our latest range of products that transform the raw beauty of natural stone into tiles and claddings that will enhance any living space. One of the hallmarks of Stone Natura is the control the company maintains over the entire process; from selection of the raw stone material, to refinement and production in our own purpose-built factories and exclusive distribution to licensed Stone Natura agencies. This allows us to maintain the high quality of raw material and finished product that Stone Natura is renowned for, as well as offering a range of innovative designs that are unique to Stone Natura.
